Essentially a mix of AirBnB and Craig's List for Malta.

Malta University Residence

The Malta University Residence welcomes people of all national origins who travel to Malta for a holiday, on work placement, to expand their academic standings or visit their University colleagues. This vibrant cosmopolitan setting connects people (students and non-students). The residence is conveniently located 3.4 kms from the University Campus. The Residence operates a courtesy bus service connecting with the University directly and runs on a regular basis.
