

QUESTIONS TO ASK MY PROGRAM COORDINATOR

Selecting a Program & Preparing for My Experience

Whether you're studying, volunteering, or interning abroad, you'll likely have a point of contact. Don't hesitate to ask them what others have had a hard time adapting to and what they've done to cope. Each country has its own nuances, so you're going to face a different situation in France as you would in Thailand. Contact the program coordinator for the experience you are interested at www.scu.edu/globalengagement/global-opportunities

MENTAL HEALTH

What access will I have to Mental Health resources while abroad on this program?

ACCOMODATIONS

Would I have access to learning accommodations on this program? What do I need to do?

FUNDING

Will my financial aid help cover the costs? Are there additional scholarships opportunities available?
